(CHORUS)

Why did you do it Why did you give your love to
someone else
When they don't love you Why did you do it Why do you
do it
Why do you put your trust in someone else When they
don't love
you Why do you do it

Did you do it for the money Did you do it
for the fame Was it really worth it all To walk around
with a messed
up name Shoulda learned just by watching Not to go
down that
road See, you put your trust in man And messed around
and lost
you soul

(CHORUS)

Why did you do it Why did you give your love in
someone else
When they dont love you Why did you do it Why do you
do it
Why do you put your trust in someone else When they
dont love
you Why do you do it

Did you do it cause you're lonely Did you do it cause
you're
scared Do you feel like no one loves you So you'll trust
anyone
who say they care Take it from me, I've been there And
I know
just how ya feel Don't be fooled by nobody Only God's
love is the
real deal Trust in the Lord, with all your heart Lean not
unto your
own understanding But in all of your ways
acknowledge him
And he shall direct your path Why, why, tell me why
