Does he love me? I want to know
How can I tell if he loves me so?

(Is it in his eyes?)
Oh no, you'll be deceived
(Is it in his eyes?)
Oh no, he'll make believe

If you want to know
(Shoop, shoop, shoop, shoop)
If he loves you so
(Shoop, shoop, shoop, shoop)
It's in his kiss
(That's where it is)

(Or is it in his face?)
Oh no, it's just his charms
(In his warm embrace?)
Oh no, that's just his arms

If you want to know
(Shoop, shoop, shoop, shoop)
If he loves you so
(Shoop, shoop, shoop, shoop)
It's in his kiss
(That's where it is)
Oh, it's in his kiss, that's where it is

Woah, hug him and squeeze him tight
Find out what you want to know
If it's love, if it really is, it's there in his kiss

(How about the way he acts?)
Oh no, that's not the way
And you're not listenin' to all I say

If you want to know
(Shoop, shoop, shoop, shoop)
If he loves you so
(Shoop, shoop, shoop, shoop)
It's in his kiss
(That's where it is)

Oh, it's in his kiss, that's where it is

Woah, hug him and squeeze him tight
Find out what you want to know
If it's love, if it really is, it's there in his kiss

(How about the way he acts?)
Oh no, that's not the way
And you're not listenin' to all I say

If you want to know
(Shoop, shoop, shoop, shoop)
If he loves you so
(Shoop, shoop, shoop, shoop)
It's in his kiss
(That's where it is)
Oh, it's in his kiss
(That's where it is)

Oh yeah, it's in his kiss, that's where it is
It's in his kiss, that's where it is

It's in his kiss, that's where it is
It's in his kiss, that's where it is
It's in his kiss, that's where it is
It's in his kiss, that's where it is

It's in his kiss, that's where it is
It's in his kiss
