

Damnation A.D. "No Way Out"

Visit "[No Way Out](#)" on MotoLyrics.com

Fallen into a life with nowhere to turn
each way out leads deeper into a hole
believing when they said this is how to live
now they're all gone and you are alone

your bell has tolled it was all so clear
the end of your pitiful life has been foretold
your stone idols crumble and fall
now you are left with nothing to hold
try to pretend it will be the same
your empty hands bare witness to an empty heart

your bell has tolled it was all so clear
the end of your pitiful life has been foretold
