Won't you tell me the reason why

He goes out , almost every night?

He never goes too far,he's always

The one who's got it right

Chorus

He's got charm

He's got style

He's got a dozen girls

Tell me why,i don't know why

He's got a dozen girls

Now he's always the one with all the hooks

When it comes to making it with you

Now i would be there in his place if only

I knew what it is i had to do

Repeat chorus twice

He's alright and he don't care,he' got thermal
underwear (repeat several times)
