Hey, Keith  
Alright

Outta my mind on a Saturday night  
Nineteen seventy seven babies rollin' in sight  
Radio's burning up above  
Beautiful baby, be my love

Alright, feel cool always  
Alright, feel cool always  
I feel alright, I feel alright  
I feel alright

Where's your baby? Burn my heart  
Take your baby, burn my heart  
Fall apart now baby, fall apart  
Where's your baby? Burn my heart

Alright, feel cool always  
Alright, feel cool always  
I feel alright, I feel alright, I feel alright  
I feel alright, I feel alright

Outta my mind on a Saturday night  
Nineteen seventy seven babies rollin' in sight  
Radio's burning up above  
Beautiful baby, be my love

Alright, feel cool always  
Alright, feel cool always  
I feel alright, I feel alright, feel alright  
Feel alright, feel alright  
[Incomprehensible]  
Alright, alright
