Life goes on and on and on

If you think it's all gone wrong

Go on and on and on

Life's a con a con a con

If you think you can't go on

Go on and on and on

Chorus :

But always remember,

This is the happiest day of your life

(repeat first verse, then :)

And as the years they move along

I see it now, there's something wrong

'cos life is for always

Take your time

Who cares what fools say

I don't mind

'cos this is my day

I'll live it my way

Today, there's just today

Repeat first verse
