We pose and charge upon
the raining queen
who look like ghost
upon the money most
people would agree
of the soul is dance upon
the English dew
cross the green filled up possession grows
we are the out of time
people of the rose

the nighty girl rejoices
but the hour disapproves
a ..light the sun
out of the valley comes a song of our corn
a true and faithful servant giants
the most excellent way
his soul is in climb
for an empire give an.. a virgin..
left hour upon this ..shores
a ..forever shall only be yours

The nighty girls rejoices
but the hour disapproves
the dancing queen
becomes
