She says, love sucks this way  
Another year goes away  
Night and day  
Night and day, she hates that feeling  
I-I-I can't explain  
I got a lot of love, lot of love

Night and day  
Night and day  
She keeps my feelings

(Chorus x2)  
Freedom! (Freedom!)  
All I want is one more night! (Freedom)  
I don't wanna wait  
I don't wanna wait, not one more minute  
(Freedom)

She says, so lead the way  
To all the things that you say  
Night and day  
Night and day, she needs that feeling  
I-I-I won't complain  
I got a lot of love, lot of love

Night and day  
Night and day  
She keeps my feelings

(Chorus x2)

I don't wanna wait  
Let's go...

(Chorus)

Freedom!
