I got you online  
I got you on time  
I'll keep you all mine  
Until the sun will rise  
I got you knocked down  
Because of my sound  
Just turn it real loud  
And give a shout out

Chorus:

All night

My radio DJ's on the line  
And he won't let me sleep  
Friday night  
My favourite DJ's on the line  
His bass is running deep  
Friday night

You called the hotline  
And got me on time  
And gave me that sign  
And I caught your fire  
I got you knocked down  
Because of my sound  
Just turn it real loud  
And give a shout out

Chorus:

All night

My radio DJ's on the line  
And he won't let me sleep  
Friday night  
My favourite DJ's on the line  
His bass is running deep  
Friday night

Ladies are you ready?  
You ready for Crazy Loop\*  
Ladies are you ready?  
You know what you wanna do  
Ladies are you ready?  
You ready for Crazy Loop  
Ladies are you ready?  
You know what you wanna do

Chorus:

All night  
My radio DJ's on the line  
And he won't let me sleep  
Friday night  
My favourite DJ's on the line  
His bass is running deep  
Friday night
