

## Dan Balan "Justify Sex"

Visit "[Justify Sex](#)" on MotoLyrics.com

I see...  
Lips are fighting...  
Clothes are falling, are falling, are falling...

I see...  
Hearts are fighting...  
We keep on falling, on falling, on falling...

Listen... !  
This is the sound of love... !  
When human nature feels that sound,  
We tear it down,  
Then justify...

[X4]:  
-Sex?  
-Would be...

We keep on falling...

Just peeled my legging...

Can't ignore your craving...

I see... (would be)  
Eyes are lying... (would be)  
Clothes are falling, are falling, are falling...

I see...  
Hearts are trying, but keep on falling,  
On falling, on falling...

Listen... !  
This is the sound of love... !  
When human nature feels that sound,  
We tear it down,  
Then justify...

[X4]:  
-Sex?  
-Would be...

We keep on falling...

Just peeled my legging...

Can't ignore your craving...

(Falling, falling, falling...)

-Sex?

-Would be...

We keep on falling...

Just peeled my legging...

Can't ignore your craving...
