Yeah, yeah, yeah, yeah, uh

Uh, uh, yeah, yeah, do it like that, what?

Uh, uh, uh, uh, uh, uh, uh, uh, uh

Yeah, yeah, uh, yeah, like that, what?

Yeah, yeah, check it out

Ooh, you look so fine girl

I want you in my world

I just want to turn you on

Yes, I do, uh

Baby, what's your steelo

I wanna be down and I know

What you need to keep you satisfied

Don't stop

Don't stop 'til u get enough

Keep on, I won't stop 'til you give it up

I'm on top, wanna get ya hot

Show you what my lovin' is all about

Don't stop 'til u get enough

Keep on, I won't stop 'til you give it up

I'm on top, wanna get ya hot

Show you what my lovin' is all about

So tell me what you're feeling

The mood for sexual healing?

Let me be the one to blow your mind

And girl I want to love you

Place no one above you

Every day and night

I swear I'll keep you satisfied

Don't stop 'til u get enough

Keep on, I won't stop 'til you give it up

I'm on top, wanna get ya hot

Show you what my lovin' is all about

Don't stop 'til u get enough

Keep on, I won't stop 'til you give it up

I'm on top, wanna get ya hot

Show you what my lovin' is all about

Don't stop 'til u get enough

Keep on, I won't stop 'til you give it up

I'm on top, wanna get ya hot

Show you what my lovin' is all about

Don't stop 'til u get enough

Keep on, I won't stop 'til you give it up

I'm on top, wanna get ya hot

Show you what my lovin' is all about

All day, all night

I want you, yes, I do

All day, all night

I want you, yes, I do

Don't stop 'til u get enough

Keep on, I won't stop 'til you give it up

I'm on top, wanna get ya hot

Show you what my lovin' is all about

Don't stop 'til u get enough

Keep on, I won't stop 'til you give it up

I'm on top, wanna get ya hot

Show you what my lovin' is all about

Don't stop 'til u get enough

Keep on, I won't stop 'til you give it up

I'm on top, wanna get ya hot

Show you what my lovin' is all about

Don't stop 'til u get enough

Keep on, I won't stop 'til you give it up

I'm on top, wanna get ya hot

Show you what my lovin' is all about

All day, all night

I want you, yes, I do
