we aint neurotic and you aint sh*t
your f*cking band is full of idiots
we might be goons but we're no clowns
and you're the reason we hate this town
i dont wanna hear what's on your mind
just shut up cause you're a waste of time
i'll rip that fuzzy sweater off your back
the Abducted wanna kick your f*cking ass
the Abducted hate you
Emo f*cks and suburban oi dicks
riot grrl had to call it quits
Fuzazi Schmugazi oh yeah you suck so bad
listening to us is the best time you ever had
