Hey there boys, you look pretty cute behind that
computer screen.
This is anastia.
You look pretty cute in all yr make up.
Fake ballet dancer.
She said i'm a poser fake ballerina, she said i'm a
Poser fake ballerina, she said i'm a poser fake
Ballerina, said that madonnas a much better singer.
Stuck in traffic with the radio blasting, dj saying
something nasty.
Says i'm a poser fake ballerina, said that Donalley is
A much better singer.
Finally move get off the exit, find a station and park the
lexus
Find the room and the dj asshole, grab the mic in a
Freestyle outcold
Julie jammin up the v-u meter
Revenge radio, nothing sweeter, somebody calls on
the
Request line, hey btrash it's about fucking time
Play some records and tell it like it is, sick of creed
christian rock jizz

Can you put pt grimm on, what about some mannequin
porn
Their new mp3 got it going on
And we'll keep rocking to the break of dawn
Fake ballerina
Fake ballerina
Fake ballerina
Fake ballerina
We come from nina and tina to give to dina and lena
Don't make me choose up between em 'cause i'm a
fake ballerina.
Okie okie, we'll do what we can, but we got to bail
'cause here comes the man, sirens blaring down the
street
Got to beat for a hissy trart
Fucking pigs always on our ass, got to bail so we
Better move fast. so we put on Nelly and crank
It all the way. distorted country grammer kickin every
which way

Speakers bumping left and right jet out the back door
Outta sight, jump in the car and back on the
Freeway, btrash goddamn, it was a lame day.
