There you are
Across the room
And I can't seem to take my eyes off you

And I don't know what to do
'Cause I get the same feeling when I look at you

I come home and look at your photograph
Thinking how I can get you back
Two more days, two more days
'Til I see your face

And the stars never seem to shine as bright
Without you next to me
And the seasons change and your not here
And I'm waiting patiently
And no matter what I seem to do
I'm always stuck on you
And the reason I fell so hard,
Is because of you

I can't believe
I'm finally holding you
After all this time of being without you

And I can't figure out what to do
'Cause I get the same feeling when I look at you

I come home and look at your photograph
Thinking how I can get you back
Two more days, two more days
'Til I see your face

And the stars never seem to shine as bright
Without you next to me
And the seasons change and you're not here
And I'm waiting patiently
And no matter what I seem to do
I'm always stuck on you
And the reason that I fell so hard,
Is because of you

Two more days, two more days till I
Two more days, two more days till I
Two more days, two more days till I see your face

And the stars never seem to shine as bright
Without you

And the stars never seem to shine as bright
Without you next to me
And the seasons change and you're not here
And I'm waiting patiently
And no matter what I seem to do
I'm always stuck on you
And the reason that I fell so hard,
Is because of you

Two more days, two more days till I
Two more days, two more days till I
Two more days, two more days till I see your face
