Down the road and on the right hand side
There's a place I sometimes like to dine
Coffee refills far as I can see
I'll be waking
Are you watching me?

Are you watching, are you?
Are you watching?
Or just waiting to see
That your days are numbered?
'Cause my days are numbered, too

Are we cool now?
Are we cool now?
Are we cool now?
Are we cool?

Bus down to the local record store
Buy something to make you like me more
Indie queens and tatty east-side punks
They are listening
Always waiting

Are you watching, are you?
Are you watching
Or just waiting to see
That your days are numbered?
'Cause my days are numbered, too

Are we cool now?
Are we cool now?
Are we cool now?
Are we cool?

I'm sorry that I brought it up
It's not nice to piss you off
And I know, I know, I know

That I was poking
And sort of prodding
And kind of hoping
And always watching

For a reaction
A reaction
A reaction
A reaction
Are you watching?
Watching? Are you woah-oh-oh?
Or just waiting to see?
