All my lovin' belongs to you
All my lovin' and my heart too
All my lovin' belongs to you
All my lovin' and my heart too

You be good to me & I'll be good to you
I will never leave your side
You be strong for me and I'll be strong for you
I will never say goodbye

All my lovin' belongs to you..

If you cry for me, I will cry for you
I will never say goodbye

I will never leave your side,
If you ran around the world for me I would do it twice
for you
If you wanted me to fight for your love well the war
would never be through..
Lie here next to my soul
I will never let you go
You will understand, you got
All of my love, All of my love...
