Class, Class, Could I have your attention please...

Thank you.

Let's rock it up..

Yeah, That's where it's at.

Saw you walkin with those friends of yours.  
Would you ever walk with me?  
I'd wrap you up & take you home for sure.  
Would you wanna capture me?

One thing that I'd like to say to you.  
There's two things that I want to do.  
One is wrap my arms around you baby.  
Two is to fall in love with you.

I'm gonna GET TO YOU.  
I'm gonna GET TO YOU.  
Get to you.  
You've got a hole in your life, I wanna fill it. I'm gonna  
GET TO YOU.  
Get to you.

One thing that I'd like to say to you.  
(There's only one thing..)  
There's two things that I want to do.  
(yes two..)  
One is wrap my arms around you baby.  
Two is to fall in love with you.

I'm gonna GET TO YOU.  
I'm gonna GET TO YOU.  
Ge-Ge-Get to you.  
You've got a hole in your life, I wanna fill it. I'm gonna  
GET TO YOU.  
Get to you.

Oh.. I see you all the time in my real life & in my  
dreams. It's no wonder every man LONGS for you..  
I think about you every day, every hour, every minute,

every second.  
I can't sleep at night for the thought of your body  
makes my  
Heart race faster. You see I understand for you,  
passion speaks in a  
Different kinda way I'm gonna  
Get to you.

Get to you. Get to you. Get to you. Get to you. Get to  
you.

GET TO YOU.  
Saw you walkin with those friends of yours.  
GET TO YOU.  
Would you ever walk with me?  
GET TO YOU.  
I'd wrap you up & take you home for sure.. baby, baby..  
GET TO YOU.  
Would you wanna capture me?  
GET TO YOU (Would you wanna...?)

There's One thing that I'd like to say to you.  
GET TO YOU.  
There's two things that I want to do.... do... do.. do.  
GET TO YOU.  
One is wrap my arms around you baby.  
GET TO YOU.  
Two is to fall in love with you.  
GET TO YOU. (I wanna fall in love!)

I Saw you walkin with those friends of yours.  
GET TO YOU.  
I Saw you walkin with those friends of yours.  
GET TO YOU  
I saw you walkin' baby with those, friends of yours..

Would you ever, want me?
