Can you hear me?

Here I sleep alone tonight  
And dream about Mrs Right  
I feel it in my heart  
I hope that she can hear me

All I do is close my eyes  
I try so hard to dream her mind  
I feel it in my heart  
I hope that she can hear me

There's gotta be a girl waitin' halfway around the world

Desire ragin' in our hearts  
That slowly close the miles we are apart  
I feel it in my soul, I KNOW she can hear me

There's gotta be a girl waitin' halfway around the world

With every beat of my heart  
I hope that she's dreamin' of me  
For every moment we're apart,  
We'll spend a lifetime in extacy

There's got to be a girl waitin' somewhere in this world

Here I sleep alone tonight  
And dream about Mrs Right  
I feel it in my heart, I know that she can hear me

There's gotta be a girl waitin' halfway around the world..
