Young woman. She had a man. She was barely sixteen.
Her fantasy 'seen tragedy. He left her with a scene.
Baby.
She prayed the storm would go away. Rain down her
life.
Maybe every night.
Everyone just shut their eyes. They didn't care to see..
"Goodbye" is in her diary.

I'm so sorry. She don't live here no more. No more.
The answer's the same.
I'm so sorry. She don't live here no more.

The boulevard, had turned her hard.
It helped to stop the pain.
The winds of change, Had gone in vain.
Life got so insane, baby.

Shool was only wasting time.
Her friends just laughed.
Broke her heart in half. Baby.
Things didn't have to be that way oh no.
When that tore a hole in her life..
If they could see it through her eyes.

I'm so sorry. She don't live here no more. No more.
The answer's the same.
I'm so sorry. She don't live here no more. No more, No.
The answer's the same.
I'm so sorry. She just don't live here no more.

Time heals any wound baby.
Don't throw it away....

I'm so sorry.....
