Well yesterday I was just another white guy  
Uh-huh  
But I'm a blues man today  
I can hear those colored girls singing in the  
background  
Woo hoo just like in the bathtub  
It's a thang thang thang thang thang  
thang thang thang  
I'm a white guy  
But I'm a blues man today  
And just like all the rest of us  
I'm a little bit ashamed  
Of my  
My little bitty pee-pee  
Pee-pee  
Little bitty pee-pee  
My little bitty pee-pee  
I-i'm ashamed of my little bitty pee-pee  
My little bitty pee-pee  
My little bitty pee-pee  
My little bitty pee-pee  
My little bitty pee-pee  
My little bitty pee-pee  
My little bitty pee-pee  
My little bitty pee-pee  
My little bitty pee-pee
