What do you want?
I want food and pussy!
How come?
It's just the way God made me.
Is that alright?
I guess it must be ok...
Hoo bop bop bop
Shengalengaleng

What do you want?
I want food and pussy!
How come?
It's just the way God made me.
Is that alright?
I guess it must be ok...
Hoo bop bop bop

Two little children, lyin' in bed
One was sick, the other 'most dead
Went to the doctor and the doctor said
What do you want?
I want food and pussy! How come?
It's just the way God made me.
Is that alright?
I guess it must be ok...
Hoo bop bop bop

The only thing that we can do is cut off your head
We'll send it to Berlin
Where I have a friend

He'll fix it like it's sposed to be and mail it back again
