Well yesterday I was just another white guy
Uh-huh
But I'm a blues man today
I can hear those colored girls singing in the
background
Woo hoo just like in the bathtub
It's a thang thang thang thang thang thang thang
thang thang thang thang
I'm a white guy
But I'm a blues man today
And just like all the rest of us
I'm a little bit ashamed
Of my
My little bitty pee-pee
Pee-pee
Little bitty pee-pee
My little bitty pee-pee
I-i'm ashamed of my little bitty pee-pee
My little bitty pee-pee
My little bitty pee-pee
My little bitty pee-pee
My little bitty pee-pee
My little bitty pee-pee
My little bitty pee-pee
My little bitty pee-pee
My little bitty pee-pee
