She can kill with a smile  
She can wound with her eyes  
And she can ruine your faith  
With her casual lies  
And she only reveals  
What she wants you to see  
She hides like a child  
But she's always a woman to me

She can lead you to love  
She can take you or leave it  
She can ask for the truth  
But she'll never believes it  
And she'd take what you give her  
As long as it's free  
Yea she steals like a thief  
But she's always a woman to me

Oh she takes care of herself  
She can wait if she wants  
She's ahead of her time  
Oh and she never gives out  
And she never gives in  
She just changes her mind

And she'll promise you more

Than the garden of Eden  
Then she'll carelessly cut you  
And laugh while you're bleeding  
But she'll bring out the best  
And the worst you can be  
Blame it all on yourself  
'Cause she's always a woman to me

Oh she takes care of herself  
She can wait if she wants  
She's ahead of her time  
Oh and she never gives out  
And she never gives in  
She just changes her mind

She's frequently kind  
And she's suddenly cruel  
But she can do as she pleases  
She's nobody's fool  
And she can't be convicted  
She has earned her degree  
And the most she will do  
Is throw shadows at you  
But she's always a woman to me
