He'd beat her up to come, she ran around  
She shot him and they laid him in the ground  
There's two children left without a home  
Wondering what in world is going on

Guilty of murder first degree  
Rushy mountain penitentiary  
There's two children left without a home  
Wondering what in world is going on

=CHORUS=

Who showed who  
Who played it smart  
One in jail one in the grave with a bullet through the  
heart

Who showed who  
Who's right or wrong  
Two children left without a home  
=CHORUS=

Well I guess the tragic happenings never end  
You don't think these things happen to your friend  
Well I thought I knew them both so very well  
But he's in the grave and she's in a cell

I guess they both found they were justified  
But I can't say that I saw either side  
But for Tommy and Mary right or wrong  
There's two children left without a home

=CHORUS=

Who showed who  
Who played it smart  
One in jail one in the grave with a bullet through the  
heart

Who showed who  
Who's right or wrong  
Two children left without a home  
=CHORUS=
