When my best friend said she had lost her man
To her babysitter I thought she was lying
I said no 16 year old schoolgirl
Could ever take a man of mine

Staying home with our baby all the time
It kept me kind of broken hearted
So I went and hired myself a babysitter
And that's when my trouble all started

This 16 year old chick walked in
With a skirt up to her waist
She had a truckload of you know what
And all of it in place

Should have been aware of the babysitter
Oh yeah yeah
I should have known from the jump yeah
She was a man getter
I should have been aware of the babysitter
I should have known from the jump yeah
She was a man getter yes she was

When I found exactly what was going on
There wasn't much that I could do
The babysitter had his heart and soul
And all of his money too

I should have been aware of the babysitter
I should have known from the jump yeah
She was a man getter
So girls if you want your man
And no one else
Buy yourself some sizzle pants
And babysit your baby yourself

Beware girls you better beware
of the babysitter
rock rock your baby
Rock rock rock your baby
