I'll be the other woman all your life
Just as long as I'm the only one other than your
wife
Your wife, how would she feel if she caught us
together?
The same way I would feel if I caught you with another

Home, I know, comes first
And second to that I'll be
But when you're not there with her
I want you right here with me

Chorus:
I'll be the other woman
Just as long as I know
I'm the only other woman
You make love to

I'll be the other woman
But I've got to know
I'm the only other woman
You make love to

The neighbors are whispering, saying you don't
care
If you cheat on your wife for me, you'll on me for
someone else
I'll be your part-time love, but that's as far as
I'll go
To be your part-time fool would be stooping a little too
low

Loving a married man
This I really don't mind
But a married Casanova
Is a little out of my line

Chorus x2

I'll hold the doors for you baby
Long as I know

Iãf'ã, 'm the only other woman
You make love to

Iãf'ã, 'll be your part-time love
But Iãf'ã, 've got to know
Iãf'ã, 'm the only other woman
You make love to
