"Loch Lomond"

By yon bonnie banks, by yon bonnie braes
Where the sun shines bright on Loch Lomond
Me and my true love were ever want to be
On the bonnie, bonnie banks of Loch Lomond

You take the high road and I'll take the low road
I'll be in Scotland before you
But me and my true love will never meet again
On the bonnie, bonnie banks of Loch Lomond

Mind where we parted in yon shady glen
On the steep, steep side of Ben Lomond
Where in deep purple hues
The Highland hills we viewed
And the moon coming out in the gloaming

You take the high road and I'll take the low
road
The wee birdies sing and the wild flowers spring
And the sunshine and the waters are sleeping
The broken heart it kens, no second Spring again
And the world does not know how we're greeting

You take the high road
And I'll take the low road
