All comedians want to be rock stars because they are
incredibly cool.

They always look like they're about to vomit.

They have the rap before the song that makes no
sense. "you know ladies and
Gentleman a long time ago there were lots of people...
but that was a long
Time ago."

Then they start to sing these incredibly trite lyrics.,
don't you feel like
A lot of balladeers it's like they're making them up as
they go along. ok it's
Like anyone could make up these lyrics.

"She's as cold as ice... paradise... and the feeling... was
A-nice..."

There's a lady I know
If I didn't know her
She'd be the la-tay I didn't know.
And my lady, she went downtown
She bought some ber-ra-ccoli
She brought it ho-ome...
