Bedie Boo

Used to be so cute  
Now you're kinda loose  
Yeah, I know the scoop  
Oh-oh-oh-oh-oh

Now Bedie was this girl I graduated from high school  
with  
You know, the type of girl that everybody is real cool  
with  
She didn't smoke or drink, in fact she never ever  
cursed  
She wore the rosary beads and kept a Bible in her  
purse  
Well, one day she was aligned waiting to get in a night  
club  
Some major group was playing, and everybody was  
real hyped up  
Now Bedie wasn't assort to go to parties of that type  
And I couldn't help but wonder why she had came here  
tonight  
Now I didn't ask any questions, I went inside and got a  
drink  
Someone tapped me on my shoulder (Hm, who could it  
be?) Now let me think  
I looked around, and there was Bedie, all dressed up in  
lace and leather  
Boy, I must admit, she really had her act together

Bedie Boo

Used to be so cute  
Now you're kinda loose  
Yeah, I know the scoop  
About you Bedie now  
You're livin kinda foul  
Been skeezin for a while  
Until it gets around  
Oh-oh-oh Bedie Boo

(Hello, remember me?) I said, "Oh yes, of course I do  
You're the girl from science class that I used to sit next  
to"

She started givin hints like she wanted me to hit it  
(Was you with it?) Well, you know.. (Yo, was you with it?)  
Yeah, I was with it!  
I led her to this room, the door said 'V.I.P.'  
Only for people with juice, and of course that meant me  
I said, "Gosh, how you changed, Bedie, you sure look,  
different"  
(But you said she was religious) I can see now that she  
isn't  
She got on her knees and started reachin for my zipper  
I sang this little song right before, you know, I did her

Bedie Boo  
You used to be so cute  
Now you're kinda loose  
Yeah, I know the scoop  
About you Bedie now  
You're livin kinda foul  
Been skeezin for a while  
Until it gets around  
Oh-oh-oh Bedie Boo
