Have a nice life baby
(have a nice life baby)
Have a nice life baby

I don't know why
we're going all this way
'cause you always make me feel bad
And we fight like crazy
This is not what it's all about
you and me we ain't work it out
And if we can't work it out somehow
Oh

CHORUS:

Have a nice life baby
(have a nice life baby)
It's not like before
So I'm out the door
Have a nice life baby
(have a nice life baby)
We had a good time
but it's over
Goodbye
Have a nice life baby

I know I might cry
a little tear or two
And boy, I will even feel sad
and miss you like crazy
No, it isn't the way we planned
but I want you to understand
If it all comes to an end
Then

CHORUS

I mean what I say
Just go on your way

CHORUS

BRIDGE:

It's just the way it is
It all comes down to this
I'll leave you with a kiss
Don't mean to be so cold
It's just the way it goes
It's just the way it goes

CHORUS

I mean what I say
Just go on your way
Have a nice life baby

BRIDGE

CHORUS

I mean what I say
Just go on your way
Have a nice life baby

Have a nice life baby
