Have a nice life baby
Have a nice life baby

I don't know why, we're going on this way
'Cause you always make me feel bad and we fight like
crazy
This is not what it's all about you and me
We ain't workin' it out and if we can't work it out
somehow, oh

Have a nice life baby
It's not like before, so I'm out the door
Have a nice life baby
We had a good time but it's over, goodbye
Have a nice life baby

I know I might cry a little tear or two
And boy, I will even feel sad, I miss you like crazy
No, it isn't the way we planned
But I want you to understand if it all comes to an end
then

Have a nice life baby
It's not like before, so I'm out the door
Have a nice life baby
We had a good time but it's over, goodbye
Have a nice life baby

I mean what I say
Just go on your way
Have a nice life baby

It's just the way it is, it all comes down to this
I'll leave you with a kiss, don't mean to be so cold
It's just the way it goes, it's just the way it goes

Have a nice life baby
It's not like before, so I'm out the door
Have a nice life baby
We had a good time but it's over, goodbye
Have a nice life baby

I mean what I say, just go on your way
Have a nice life baby

Ooh ooh oh, a nice life baby
Ooh ooh ohh, a nice life baby

It's just the way it is, it all comes down to this
I'll leave you with a kiss, don't mean to be so cold
It's just the way it goes, it's just the way it goes

Have a nice life baby
It's not like before, so I'm out the door
Have a nice life baby
We had a good time but it's over, goodbye
Have a nice life baby

I mean what I say, just go on your way
Have a nice life baby, a nice life baby
Oh yeah, have a nice life baby
