Oh yeah, mmm mmm mmm

We've been working for a long time
And now my baby is here, oh oh
No more hanging with the wrong crowd
'Cause you mean more to me, dear

When I first saw your face
I knew you would take the clouds away
And what we've created together is
The greatest gift in the whole wide world

(CHORUS:)

One and one is two, two is me and you
Two plus one is three, three is family
I believed in you and your love was true
Finally complete, three is family

Our hearts beating altogether
The tears run down my face, oh oh
God, this moment will last forever
And everything falls into place

In this crazy world
I know there'll be plenty mountains to climb (plenty
mountains to climb)
But the three of us together will
Keep me strong for the rest of my life

(CHORUS)

Baby divine (baby divine)
Grow up in time
So I can feel this feeling again
Through your very eyes (through your very eyes)

Oh woh woh oh-oh, my baby, yeah
Oh woh oh oh, ooh ooh-oo, ah

(CHORUS x3)

Oh oh ooh woh oh oh oh
