This moment is set. Let's make magic.
You're the #1 girl; it's time to stay at the top.
This is the song of the year. We just recorded your
orgasm.

The music isn't shit anymore; your sexual vibe carries
across the land.
Daydream sex, broken marriage fuck. You cause this
shit.
Everyone has been waiting for this moment; for this
song.
This song of the year: "sexy, smooth, yet
sophisticated."
The music isn't shit. It's all about IMAGE, IMAGE, IMAGE.
Fuck your song, you're looking good. We just recorded
your orgasm,
And the money is rolling in.

Alone, afraid, smile glued bright. Feeling so dirty,
Sexed up by human eyes. An "artist" washed over,
pulled under.
The moment is set, let's make magic.
You're the #2 girl; it's time to kill for the top.
Lets show this song of the year. We videotaped your
orgasm.
The music was never shit, we lied, we lied as you layâ€¦
Drained, tired, and robbed of your self-expressionâ€¦
You're a toy, a toy for lust and greed.

Insecure depression, the mirrors are laughing at us.
Trying to be sexy queen, trying to be darling.
You've pounded in her little head like daddy wants to
pound you.

Daydream sex, broken marriage fuck. You cause this
shit.
Makeup, bras, and lingerie no need for this algebra.
Family dinners silent, speaking only to ourselves.
This orgasm on the screen has molded our American
dream.
This orgasm on the screen has molded our American

dream.

This orgasm on the screen has molded our American
dream.

This orgasm on the screen has molded our American
dream.
