My head won't rest on this pillow
You're gripped in my arms tonight
Like reality: too tight
And if a dream could last forever
I would hold you here
Time need not freeze
I need not fear

This world we find inside
Is a world that is yours and mine
And I won't be afraid of love
I won't be afraid to lose
What I was once afraid of

Teardrops have salt-stained this pillow
Loosened from a weakened clutch
By the sun's light: too much
But I have hope today
That I'll find a way
To make my dream reality

Sometimes I run and sometimes I crawl
Sometimes I fly and sometimes I fall
But this dream of mine won't change at all
