Shall we dance?
I can think of nothing I'd like better

Shall we dance?
I can think of nothing I'd like better

Let go of your mind

Shall we dance?

Let go of your mind

I can think of nothing - I can think of nothing
I can think of nothing - I can think of nothing
I can think of nothing - I can think of nothing
I can think of nothing - I can think of nothing

Shall we dance?

Shall we dance?
I can think of nothing I'd like
