We are what we're supposed to be
Illusions of your fantasy
All dots and lines that speak and say
What we do is what you wish to do

We are the color symphony
We do the things you want to see
Frame by frame, to the extreme

Our friends are so unreasonable
They do the unpredictable
All dots and lines that speak and say
What we do is what you wish to do

It's all an orchestra of strings
Doing unbelievable things
Frame by frame, to the extreme
One by one we're making it fun

We are the cartoon heroes, oh
We are the ones who are gonna last forever
We came out of a crazy mind, oh
And walked out on a piece of paper and...

Here comes Spiderman, arachnophobic
Welcome to the toon town party
Here comes Superman, from never neverland
Welcome to the toon town party
There's still more to come
And everyone will be
Welcomed at the toon (toon) town (town) party
