Can't all that booty be all yours

Groove

Let's groove

Everybody get down on the floor and dance

Can't all that booty be all yours

Move

So boogie some more, baby let's...

Groove, boy groove

Can't all that booty be all yours

Move, let's move

Everybody get down on the floor and

Dance, let's dance

Can't all that booty be all yours

Move, let's move

So boogie....

Let's groove

Oh yeah...

Oh... (Everybody get down on the floor x3)

(Can't all that booty be all yours)

Groove, boy groove

Can't all that booty be all yours

Move, let's move

Everybody get down on the floor and

Dance, let's dance

Can't all that booty be all yours

Move, let's move

So boogie some more, yeah

Groove, boy groove

Can't all that booty be all yours

Move, let's move

Everybody get down on the floor and

Dance, let's dance

Can't all that booty be all yours

Move, let's move

So boogie some more, baby let's

Boogie some more, baby let's
Boogie some more, baby let's groove
