I believe in miracles, baby.  
I believe in you.  
I believe in miracles, baby.  
I believe in you.

They say the day is ending.  
Let's watch the sun go down  
And plan a holiday for two.  
For all eternity  
I'm gonna count till you can see  
the world I created just for you.

Oh, I saw you standing on the street.  
I wanted to meet you and stop for a while.  
You gave me a smile when you said hello.

Now everything's so good inside.  
Never realized that I didn't hide  
the feeling that came when you felt the same.

I believe in miracles, I believe in miracles,  
I believe in miracles, don't you?

Lalalalalalalalala... Lalalalalalalalala...  
Lalalalalalalalala...

I believe in miracles, I believe in miracles,  
I believe in miracles, don't you?

In miracles, in miracles, in miracles...
