For all the times that we
We ever wouldn't be
Look at us, baby
Look at us now
For everyday that I
Should have you by my side
We'll make it baby
Look at us now

For every night I pray
I know that you will stay
Look at us, baby
Look at us now
Remembering the time
Our love was made so fine
We made it baby
Look at us now
Baby, look at us

(Everybody believed we would never be) Baby, look at
us
(Look at us up above, we are so in love) Baby, look at
us
(Everyday in your arms, baby can't go wrong) Baby,
look at us
(We are strong, look at us now) Baby, look at us

Baby, look at us
Baby, look at us
Baby, look at us

For every night I dream
Together you and me
Look at us, baby
Look at us now
And like a flower blooms
The glowing of the moon
We'll make it baby
Look at us now

For everyone believed

That we could never be
Look at us, baby
Look at us now
Now all the hurt is gone
I knew it all along
We made it, baby
Look at us now
Baby, look at us
