"There 4 You"

There for you, anytime, yeah

When you're in need, I'll do what I can
I'll run to you, wherever I am
Right by your side, when you call on me
Anything you need
I will be right there for you

Anytime you need me
I'll be there for you
Anytime you want me
I'll be there for you
Anytime you call me
I'll be there for you
Anytime, anytime

Anytime, yeah
When you need a friend, you can count on me
I am the one who will listen to you pushily, yeah
I'll give you anything you ask of me
We can talk a while, share a smile, anytime of day

I will be there for you
Anytime you need me
I'll be...
Anytime you want me

There for you!
Anytime, anytime

I will be there (I will be there)
