Waka Laka's a thing to play forever
Just to be together (Just to be together)
Waka Laka's a place to be forever
Waka Laka love and fantasy

(Waka... Waka... Waka...)

See Waka Laka when you need a flight of fantasy
(fantasy)
Ecstasy (ecstasy)
Rhapsody (rhapsody)
See Waka Laka when you want a love so tenderness
(tenderness)
Waka Laka make you fly

See Waka Laka when you're going to feel so sad and
blue,
Just for you, never blue
See Waka Laka and a funny bunny'll free your life
Now it's Waka Laka time

I wanna live (I wanna live)
A brand new day (A brand new day)
Go far away (Go far away)
To Waka Laka place
A Waka time (A Waka time)
To feel so fine (To feel so fine)
A Waka Laka flight

Waka Laka's a thing to play forever
Just to be together (Just to be together)
Waka Laka's so magical and tender
Musical and wonder fantasy

Waka Laka's a never ending story
Glory, glory, glory (Glory, glory, glory)
Waka Laka's a place to be forever
Waka Laka love and,
Waka Laka love and,
Waka Laka love and fantasy
