Boys, boys be my boy.  
I wanna feel your body.  
Boys, boys be my boy.  
Tonight I'm ready honey.  
Boys, boys be my boy.  
I wanna be your lovergirl,  
Be my loverboy.

Boys, boys be my boy.  
I wanna feel your body.  
Boys, boys be my boy.  
Tonight I'm ready honey.  
Boys, boys be my boy.  
I wanna be your lovergirl,  
Be my loverboy.

Hot summertime always something on my mind,  
a kind of magic in the air.  
I'm on the run to a sunny paradise,  
with crowded beaches everywhere.

I'm just a girl that's looking for some fun.  
It's time to get things started, so c'mon everybody.

Boys, boys be my boy.  
I wanna feel your body.  
Boys, boys be my boy.  
Tonight I'm ready honey.  
Boys, boys be my boy.  
I wanna be your lovergirl,  
Be my loverboy.

Boys, boys be my boy.  
I wanna feel your body.  
Boys, boys be my boy.  
Tonight I'm ready honey.  
Boys, boys be my boy.  
I wanna be your lovergirl,  
Be my loverboy.
