Burn burn burn the fire  
Can't hold back anymore  
Fire in me rages  
I've got to burn up the floor  
Burnin' the floor  
We're burnin' the floor

Burn burn burn's the fix  
Tell me do you really wanna roll with this  
The heat is on and it's time to move  
So will you know just what to do  
Temperature's rising, no way out  
Gone too far, can't stop now  
Let me know if you feel it too  
When the fire gets inside of you

Where have you been all of my life  
I've been looking for you  
I wanna dance through the dark into the daylight with  
you  
I wanna burn

Burn burn burn the wood burn  
The rhythm's hard to ignore (yeah yeah yeah..)  
Set off in me fire  
I just don't care anymore (burn..)

Let's make it special on the dance floor  
I could feel your vibe when I came through the door  
Let's get it up, cause now's the time  
I really wanna make you mine  
Tonight, let's put it in flight  
You and me on a fantasy  
And if you really wanna learn  
I'm gonna show how to BURN!

Burn burn burn you burn me  
Your body's talkin' to mine (you burn me..)  
Sizzling sensation  
Our bodies locked and in time  
You know we're gonna  
Burn burn burn the fire

Can't hold back anymore  
Fire in me rages  
I've got to burn up the floor  
Burnin' the floor  
We're burnin' the floor
