I feel so deceived

Confusion in my head  
Don't understand all that you said  
Yet now I see the light  
It's times like these I realize  
But how can I refuse  
These fancy jewels you did bring  
Won't forgive all the pain you caused  
And all the suffering

You told me right, you told me wrong  
You told me, "Always be strong"  
You paved the way, you showed me fear  
I know now, what wasn't clear

I'm so indignant, but I know  
I was too young to understand  
I never knew what you did  
I feel so deceived...

You told me...
