Let's go!

1,  
2,  
3-4-5,  
Break her down,  
Let's get out of here,  
Come with me now,  
Now we are going my way,

I wanna show you baby,  
The world you've never seen and,  
Nothing can stop us now so  
Hold on tight babe.

It's so wild out there,  
But baby open your eyes,  
Don't need to be afraid  
Stay with me baby

You,  
Are the one,  
To keep me sane,  
Baby take my hand,  
And love me now.

I,  
Don't,  
Wanna know,  
What they say  
Oh no I don't care.  
They,  
Can,  
Tell me nothing,  
I'm gonna go my way.

1,  
2,  
3-4-5,  
Break her down,  
Let's get out of here,  
Come with me now,

Now we are going my way.

Let's go!

I,  
Don't,  
Wanna know,  
Which way you go,  
Just keep on going,  
Death,  
Is no time,  
No time to be wasting now.

1,  
2,  
3-4-5,  
Now is the time,  
Let's get out of here,  
Come with me now,  
Nothing can ever stop us.
