Well, I gotta friend who's a man
(Who's a man)
What man, the man who keeps me from the lonely
The only
He gives me what I need (what you need)
What you got, I need it oh so badly

Oh, anything I want
He gives it to me
Anything I want
He gives it, but not for free
Hateful
And it's paid for
I'm so grateful
To be nowhere

Oh...

Oh...

Anything I want (he gives it to me)
Anything I want
Anything I want (me...)
Anything I want (but not for free)
Anything I want (me...)
Anything I want
