I-I-I...
Ooh...
I-I-I...
Ooh...

All the days where we just played
Back in school, just me and you
But I can't forget you now
What am I supposed to do?

We can be more than friends
Do you know I'm here for you?
Cause you're so easy to love
When you smile, the sky turns blue

I do I do I do, do I do love you
And do you do you do, do you love me too?

I do I do I do, do I do love you
And do you do you do, do you love me too?

I do I do I do, do I do love you
And do you do you do, do you love me too?

I do I do I do, do I do love you
And do you do you do, do you love me too?

I-I-I...
Ooh...
I-I-I...
Ooh...
