Istanbul was Constantinople  
Now it's Istanbul not Constantinople  
Been a long time gone Constantinople  
Now a Turkish delight  
On a moonlit night

Every gal in Constantinople  
Lives in Istanbul not Constantinople  
So if you have a date in Constantinople  
She'll be waiting in Istanbul

Even old New York was once New Amsterdam  
Why'd they change it I can't say  
People just liked it better that way

So take me back to Constantinople  
No, you can't go back to Constantinople  
Been a long time gone Constantinople  
Why did Constantinople get the works?  
That's nobody's business but the Turks

Do do do, do do d'dododo...

Istanbul! Istanbul!

Do do do, do do d'dododo...

Do do d'do do do do

So take me back to Constantinople  
No, you can't go back to Constantinople  
Been a long time gone Constantinople  
Why did Constantinople get the works?  
That's nobody's business but the Turks

Istanbul!
