Fill me with extacy!

Still...still in my heart
Still, still in my heart
Here in my heart
Ohhhhh! Still, in my heart
Deep in my heart

Why? Why did you have to go away?
Always hard to stay
Kiss, before going over, over you.

Tell me was this really true romance,
Or just a fantasy?
I can't believe what we've been through,
You're hanging out with someone new.

Still you're in my heart (still)
Baby in my heart (heart)
Always in my heart,
You'll never leave my heart.

Still (still) still you're in my heart (heart)
Deep down in my heart
Fill me with extacy

Ohhhhh! (Listening to my heart...I cant let you go...I
can't...no)

Oh baby!
No baby!
Can't let you go.

Or was it just a fantasy (or was it just a fantasy)
Of what I thought to be reality?
Oh baby, can't you just see (can't you just see)
That I can't go on
Living without you?

Still you're in my heart (still)
Baby in my heart (heart)

Always in my heart,
You'll never leave my heart.

Still (still) still you're in my heart (heart)
Always in my heart.
When will I ever break free?
