All that I know
Is you change something in me
I envy
The power
You have
My hearts stirring
So just kiss me

One last time
Before you go
If I let you leave
Promise you'll return to me
Darling

Keep my distance
You say
While holding my hand
I love it when your this close to me
Because you speak
So intently
As you say
Come kiss me

One last time
Before you go
If I let you leave
Promise you'll return to me
One lat time
Before you go
If I let you leave
Promise you'll return to me

(Yeah)
Darling
(Ohhh)

One last time
Before you go
If I let you leave
Promise you'll return to me
One last time before you go
If I let you leave

Promise you'll return to me
Darling
